Introduction

Kroger is a prominent supermarket chain with a wide presence across the United States. They are currently seeking feedback from their customers through a survey available at www.kroger.com/feedback. By participating in the survey, customers have the opportunity to win a \$5000 gift card. This survey is an essential tool for Kroger to gather insights and improve customer satisfaction. Customers are encouraged to take the survey and share their experiences to help Kroger provide better services and products in the future.
